The Art Center will send exhibition announcements to the Art Center's e-mail list, list exhibition on our website and set up a Facebook event. If artists desires to produce their own postcard to send to the Art Center's snail mail list they may do so. Artist must supply postcard to the Art Center two weeks prior to exhibition start and pay for the postage of mailing. The exhibition postcard must meet Art Center mailing requirements. Please make arrangements with the Art Center office.

If proper timing is allotted Press Releases shall be sent by the Art Center office.

The artist(s) may plan a reception if desired. The reception time must be approved by office staff. The artist(s) will be responsible for providing refreshments. If the artist desires to have a reception on the same night as the Art Center exhibition reception, they may bring food for the table or contribute \$45 toward the cost of the reception.

Artist(s) shall be responsible for hanging their own exhibition during regular Art Center hours unless otherwise arranged with office staff.

The artist(s) shall provide a list of works to be exhibited to the Art Center office prior to hanging the show. The Art Center staff will provide identification cards for each piece of work. The artist(s) will also provide any statements they wish to have available to the public before hanging the show.
